

Dear Puget Sound Herding Group Association members,

A few weeks ago we posted a letter to the membership regarding the election of club officers. A few responded positively to our proposal. We have a full slate of members willing to fill the positions. Last week Randy Sutton messaged us that he is unable to run for president due to his work travel schedule.

The members willing to serve are:

Sharon Olsen for president

Laura Pearson for vice president

Kasey Halma for secretary

Linda Lohdefinck for treasurer

The positions of board member at large and membership chair are by appointment. L'eo Washburn is willing to fill those positions.

We would like to open the nominations to any other members who are willing to serve. Please message us if you are interested. We propose a two week window for responses from April 14, 2021 until April 28, 2021. If there are other candidates we will post the positions with all the candidates and set a two week window for online voting.

Please let us know soon if you can serve or have suggestions for our process. We need the help of everyone to move forward with our club. We are working on a couple of outdoor workshops and activities that could be safely held in Phase 3 of the state pandemic guidelines.

Sharon Olsen, Laura Pearson, Kasey Halma, Linda Lohdefinck and L'eo Washburn
